

## Where's my beach blanket?

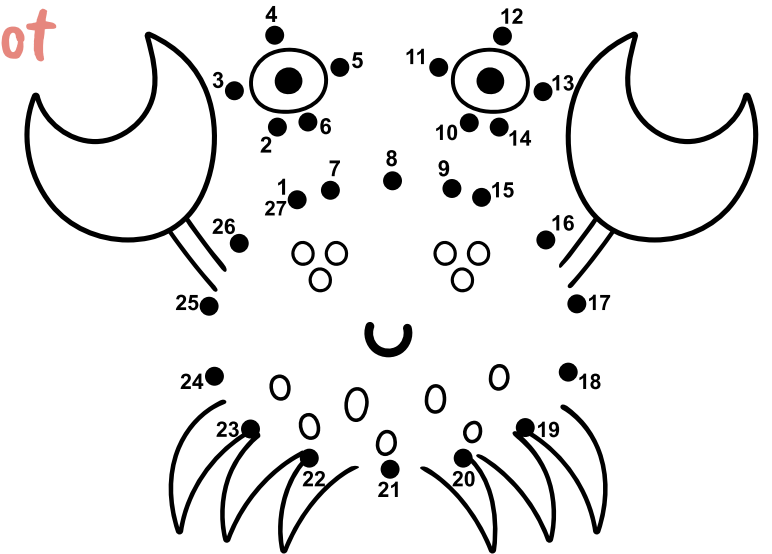

I had so much fun in the water, but now I can't find our beach blanket! Can you ask someone to help you draw a line through the maze, so I can get to my blanket?

## Dot-to-Dot

Which sea creature is hiding here? Ask someone to help you connect the dots and find out!

These creatures like to eat small fish and ocean plants like seaweed. Draw something for it to eat above.

## A dolphin's habitat

This dolphin lives in the oceans and loves to play with its friends. Can you draw the water, a dolphin friend or other fish. and seaweed, to make a happy place for the dolphin to play?

**SIMILAR**  
7/7 - 7/13

These pictures are **SIMILAR**, which means they are alike, but not the exact same. Can you find things that are alike about these pictures, and things that are different? How many can you find?

**RESPONSIBLE**  
7/14 - 7/20

**RESPONSIBLE** means doing the right thing and making good chooses.  
**IRRESPONSIBLE** means **NOT** doing the right thing and making the *wrong* choices. The **IR** at the beginning of **IRRESPONSIBLE** means **NOT** (or the OPPOSITE of) **RESPONSIBLE**.

This family is being **RESPONSIBLE**, picking up trash to keep the beach clean. What kind of trash do you think **IRRESPONSIBLE** people might leave at the beach? Draw it above!
