**Activities designed for you and your child to do together.
Enjoy “A Day at the Beach” and grow reading skills, too!**

(3 years – kindergarten)

**Make sure to use the Abound app daily to start conversations about books and ideas
and build your child’s reading skills...playfully!**

Building a sand castle!

Can you follow the maze to help the little girl pick up her supplies and meet her friend to make a sandcastle?

Can you find 10 SEAGULLS
hiding in the picture below?

IF you go to the beach, you might see seagulls!
Seagulls are SCAVENGERS, meaning they like to
SCAVENGE or hunt for dead plants or animals, like dead
fish. They also hunt for *live* food, *and* they love to steal
people food from beach blankets!

examples in the
Abound app!

SIMILAR

Here are two pictures of a pail and shovel.
The pictures are **SIMILAR**, which means *they are alike but they are not exactly the same*.

Can you find things that make these two pictures **DIFFERENT**?

What makes the pictures feel **SIMILAR**, or **almost the same**?

WordUp!

RESPONSIBLE

Find 7 more daily
examples in the
Abound app!

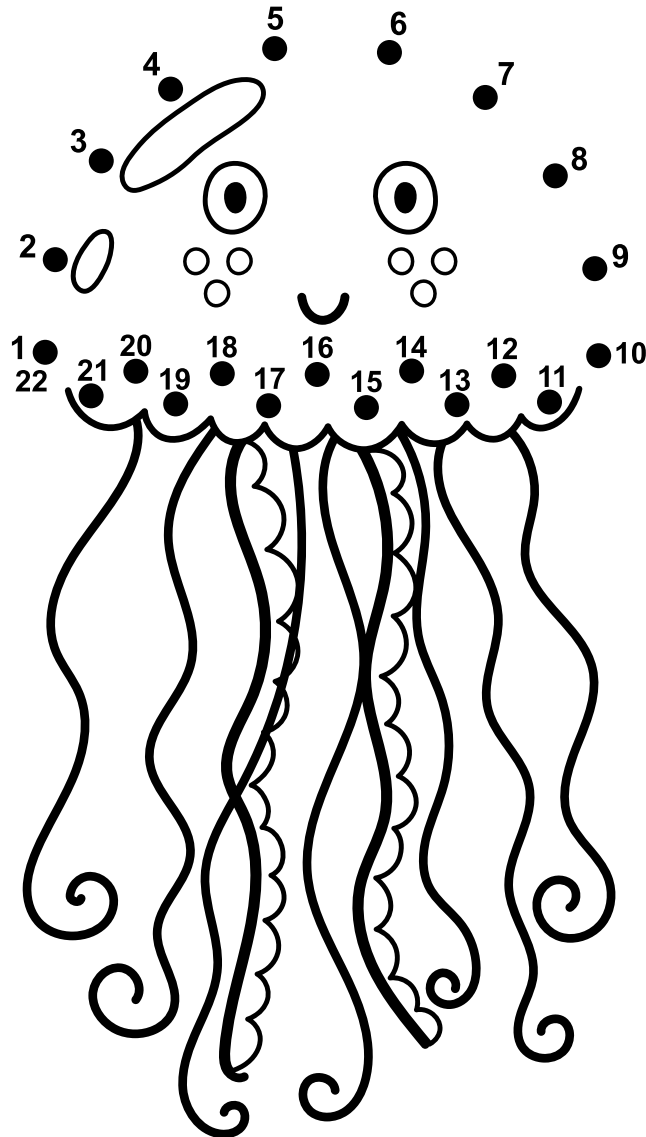

To be **RESPONSIBLE** is to make choices that are healthy and good for you and other people. If you don't wear a seatbelt in the car, or if you throw trash on the ground, you are *not* being **RESPONSIBLE**, you're being **IRRESPONSIBLE**. (The **IR** at the beginning means **NOT**, so **NOT RESPONSIBLE**.)

Which boat has two children who are making good choices, being **RESPONSIBLE**? Can you talk about two **RESPONSIBLE** things they did?

Dot-to-Dot

These creatures like to eat small fish and can sting you if you get too close! Work with someone to connect the dots and find out what sea creature it is! When you're done, give it a name!

My jellyfish's name is _____
